Philippians 2:6	He is equal with God — Jesus is God
John 1:1, 14	He is the Word of God
1 John 5:7	He is part of the Trinity
Revelation 2:1	He holds us in His hands

Conclusion — What Kind of Church Do We Want to Be?

- A church rooted and established in Christ, with the Word of God as the final authority (Colossians 2:6-7).
- A church that finds itself at the feet of Jesus every single day, not just Sunday and Wednesday (Luke 10:42).
- A church that cares more about reaching the lost with the gospel than about worldly philosophies and traditions of men (Colossians 2:8).
- A church that beholds His beauty and is more about His glory than our own (Colossians 2:9).

Can we be like Mary and choose the one thing that is needful?
